The author Muhammad Ibrahim Shah has used the affiliation “Resource Economics and Environmental Sociology (REES), University of Alberta, Edmonton, Canada” in this publication. However, since this work was not part of Muhammad Ibrahim Shah’s thesis and not part of the work he does at the University of Alberta and no professors or supervisors from the University of Alberta were involved in this paper, rather they were the results of his own personal interests, the author would like to remove the affiliation of the University of Alberta from this publication and replace it with the following affiliation: “Independent researcher, Edmonton, Canada”. He would like to replace his University email ‘mshah3@ualberta.ca’ with personal email: ibrahimecondu@gmail.com. The author would like to apologise for any inconvenience caused.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
